RE: Docket Number USCG-2017-0289

Dear Admiral McAllister:

I am writing to support recertification of the Cook Inlet Regional Citizens' Advisory Council (CIRCAC). The CIRCAC was created by the Oil Spill Pollution Act of 1990 to provide citizens an advisory and oversight role in the activities of the oil industry. I believe the CIRCAC is crucial for local input and providing coordination between the industry, government and local communities. Please give all due consideration to renewing the charter of the CIRCAC.

I join others in support of recertification of the Cook Inlet Regional Citizens' Advisory Council.

Sincerely,

Lisa Murkowski
United States Senator
